UNION CHURCH RECORD.

The following paragraphs are taken from the April issue of the Union Church Monthly Pamphlet:—

LADIES' COMMITTEE.
Most of the members of the congregation will have received invitations to the forthcoming "Social" on Wednesday, April 12th. Pains have been taken to reach every habitual worshipper in the church but since it is inevitable that some inadvertence will occur the Committee take this opportunity of asking any one who may not have received an invitation kindly to accept this general one.

A letter has been received from Mr. Narvaux of the Belgian Relief Committee recently thanking the Hongkong friends for the excellent clothing they sent and informing them that the latest consignment has been sent to Belgium, where the need is very great.
Having regard to the danger that amidst all the special efforts of the time the constant needs of philanthropic work at home may be neglected, the Committee has decided that the next effort in this direction shall be in aid of Quarries' Homes, Glasgow. They have therefore arranged for a jumble sale in aid of these orphanages to be held in the lecture hall on Saturday, April 29th. Left-off clothing and "White Elephants" of any kind will be gladly received in the Lecture Hall on Friday, April 28th. The co-operation of friends in making this sale known to possible buyers is solicited.

During this quarter seventeen parcels of "comforts" for soldiers have been sent, the recipients being alternately one hospital in France, one in Egypt and two regiments in France. There has not been time for an acknowledgment from all these quarters but two letters which have been received express warm and sincere appreciation.

NEW ORGAN.
The makers are proceeding with the manufacture of the instrument as well as is possible under the very adverse conditions of the labour and material market at home.

A promise has been received from Messrs. Alfred Holt & Co., through Mr. G. T. Edkins that they will bring out the material free of freight charges. This most welcome and generous offer will relieve the fund of considerable expense, and is regarded as showing appreciation of and good will towards the Church.

A few promised donations still remain unpaid, which the Hon. Treasurer will be glad to receive in due course.

SUNDAY SCHOOLS.
A successful session at Quarry Bay was brought to a close by a very enjoyable trip to Lai Chi Kok on Saturday, March 25th, and the prize-giving on the following Sunday. The comparatively "early" date was due to expected departure for home of a number of the older scholars.

The School at Kennedy Road will continue, as usual, until the end of April. Corporal Evans, R.A.M.C., has been appointed Librarian in place of Mr. L. Corper.

CHRISTIAN ENDEAVOUR SOCIETY.
We are glad to report distinct progress during recent weeks, so much that it has been found possible to resume the regular line of Endeavour organization, which had been necessarily in abeyance for some months owing to the diminution of our numbers and the uncertainty of attendance on the part of members in outlying stations abroad and ashore. We have been able, reluctantly, to relieve Mr. J. Wattie of the Secretaryship by the appointment of Mr. J. B. Briers. Mrs. Passmore and Corporal Evans, R.A.M.C., have been appointed Vice-Presidents.

LECTURES were given by Rev. C. B. Cooper Hunt on "Dona" (Rev. W. H. Whitcomb) "Paradise in Time of War" (Mr. Macdonald) on "Songs and Ballads of the West of England" and Professor

WARREN ON "THE REFORMATION OF LIGHT."

Mr. Handyside's paper on "The Irony of History" could not be given as a driving rain-storm kept the audience in their homes, with the exception of a handful of determined spirits who met and adjourned to the Mansie for an impromptu "Social."

A very interesting Mr. Evening occupied another of our Wednesdays. Attendances have on the whole improved, at the musical lecture rising to nearly 60, but they ought to be better.

BUNGALOW AND NEW TERRITORIES EVANGELIZATION SOCIETY.
The event of the quarter has been the opening of the New Church at Castle Peak on February 29th, which was fully reported in the Press at the time. There is no doubt that the work in that district will be greatly stimulated by being thus provided with a fitting centre.

At Chung Chou our people have been deprived of the use of the Chapel, whose occupancy has been resumed by the Society which had invited us to use it. We should readily have yielded but for the insistence of the newcomers that our converts must be immersed on pain of excommunication. Greatly as we regret the appearance of division the Committee strongly felt that they must support our people in their effort to worship and work in freedom, especially as that is associated with a project for a school, greatly needed, for girls and women. Premises have been adapted for School and Preaching Room and were opened on March 11th.

The Committee is responsible for part of the expense, and gratefully records that several special subscriptions have been volunteered towards it.

TELEGRAM FROM THE GOVERNMENT TO THE PROVINCES.
To the various authorities of the Provinces, the Government despatched a circular telegram in code, to the following effect:—

"As the Republic has now been restored, it is but natural that all those orders issued in conflict with the present regime should be cancelled. As a result of the new issue, it is not unlikely that those officials who were hitherto strong supporters of the monarchy may be greatly disappointed, but in consideration of the fact that to effect a proper adjustment of affairs, both internal and external, at the present moment is the first duty of every official, it is sincerely expected that all officials will be loyal to the existing regime and uphold the country without any personal prejudice. You should not neglect in the least peace in the territories you govern, but you should faithfully discharge the duties entrusted to you by keeping your eyes fixed on the good and making good the peace and order in your respective territories. As in the question whether or not the President will continue to remain in his present post, it will ultimately be decided by the Government, and it should in no way concern the local officials, as their important duty is at the present juncture is to preserve order and tranquility in the respective localities."

HONGKONG TIDES.

The tide-table given below has been compiled at the Nautical Almanac Office in London from the result of the analysis of observations taken by means of an automatic tide-recording machine in the Water Police Basin at Yau Tse Tsai during the years 1882-83.

The zero of the table corresponds with the zero of the sounding in the Admiralty Chart, which has been found to be a feet 3 inches below mean sea level.

To obtain the depth of water on the tide gauge at the Victoria Naval Yard add 3 feet 4 inches, and on the gauge at Lamou Dock, Aberdeen, add 10 feet 6 inches to the heights given in the table.
